The five-step trial test

Do these on your phone, off Wi-Fi, during the free trial. Write the time it took next to each one.

- ☐ **Change the service time.** Sunday 10:30 to 10:45, logged in on a phone. Over three minutes is a warning. _____ min
- ☐ **Post last Sunday's sermon.** Video, title, passage, date. Then find it from the homepage as a visitor. _____ min
- ☐ **Add an event and let it expire.** Does it come down by itself? Yes / No
- ☐ **Give $1** as a first-time giver. Count the taps. _____ taps
- ☐ **Load the homepage on cellular data.** Past about three seconds, people leave. _____ sec

Who in our church will do these five things every week for the next two years?

If you can't write down a name, a builder is the wrong purchase at any price.
